A global leasing platform

AMCK Aviation is a partnership driven aircraft leasing company headquartered in Dublin, Ireland with regional offices in Tokyo, Japan and Irvine, USA.

AMCK Aviation brings the established leasing platforms of both Accipiter and MCAP together to create a highly professional and expert global lessor. With a focus on best in class service and innovative solutions, AMCK delivers long term stability for our customers and partners across the full aircraft and economic cycle.

With 145 aircraft of total value US\$6bn under management – and a further 30 committed aircraft, including an orderbook with Airbus – AMCK is firmly placed in the top aircraft leasing companies globally.

Harnessing a seasoned global team with extensive experience, AMCK is poised for its next phase of growth.

“

Our global team of highly experienced professionals makes AMCK a great place to work. We are proud of our diversity and that we can use our different backgrounds to deliver for our customers, our shareholders and our team.
