

**How can we assist you?**

# What we do

## CREDIT INSURANCE CLAIMS & RECOVERIES MANAGEMENT

We assist ECAs/Insurers, lenders, and exporters gather the required information to efficiently manage claims and reach fact-based indemnification decisions.

## MEDIATION & AMICABLE RECOVERIES

We negotiate amicable restructuring and rescheduling agreements with borrowers and importers working towards win-win outcomes and ensuring that commercial relations are preserved.

## INTERNATIONAL DISPUTE RESOLUTION / JUDICIAL RECOVERIES

As a last resort, we pursue borrowers/importers judicially for the enforcement of their obligations and recovery of the outstanding debt.

# How we help

## MAKE FAST AND RELIABLE INDEMNIFICATION DECISIONS

Loss-adjusting (examining/investigating) credit insurance claims to provide our clients with the necessary facts and information gathered by our locally-present teams to make indemnification decisions quickly and accurately.

## AVOID LENGTHY AND EXPENSIVE LEGAL ACTION

Our understanding of the local culture and business norms allow us to efficiently negotiate amicable recoveries; often avoiding lengthy and expensive litigations/arbitrations.

## PURSUE COST-EFFICIENT JUDICIAL RECOVERIES

If legal action becomes entirely unavoidable, our experience in the debtor's legal system makes us pursue the fastest and most cost-efficient path to judicial recoveries; usually resulting in significant savings to our clients.

# Why appoint us

Since 2009, we have been serving and working closely with the worlds leading ECAs/Credit insurers, export financing institutions, and the financing arms of large multi-nationals.

We work primarily on a success-fee basis (no-cure-no-pay).

We are responsive and provide our clients with dedicated accounts managers.

We are present locally where the defaulted borrowers/debtors are based.

We are effective, reliable, transparent, and comply with the highest ethical standards.
