Global Political Risk, Credit & Bond

Insuring you and your business against the risks of a complex and ever-changing global marketplace

Political unrest and credit risk headlines are in the news every day, adding to businesses' global risk management concerns. Our highly experienced underwriting and analytical team helps businesses manage the complex and ever-changing risks of a global marketplace. We design special risk mitigation solutions that help enterprises to trade and invest with greater confidence and certainty. In collaboration with brokers, we offer clients a wide range of coverage to help manage their global risks.

Client profile

We support a wide range of business sectors involved in cross-border & domestic trade lending, infrastructure / energy / mining projects and foreign direct investments in both developed and emerging markets across a variety of industries.

- Exporters / manufacturers / Fortune 1000
- Global financial institutions
- Export credit agencies and development finance institutions
- Commodity traders with domestic and foreign sales
- Engineering / procurement / construction contractors

Political risk

Coverage for traditional political risk perils on a stand-alone basis for fixed / mobile assets, equity holdings, shareholder loans, dividends, and lender's political risks, such as:

- Confiscation / expropriation / nationalization / deprivation
- Forced abandonment / divestiture
- Currency inconvertibility / exchange transfer
- Political violence / war / terrorism
- Contract frustration (in respect of public sector buyers / obligors), including non-payment, license cancellation, import / export embargo, unfair / fair calling of advance payment / performance guarantees

Single situation credit risk

Non-payment coverage for private sector buyers / obligors on single-risk, trade-related and non-trade related transactions such as capex/general corporate loans, mobile asset-backed financing, pre-export, export, import, project, and bank-to-bank financing.

Global reach

To accommodate each client's licensing / geographical location requirements, we utilize a global underwriting platform, including access points in New York, Washington, DC, Toronto, Bermuda, London, Paris, Madrid, Singapore and Sydney.
