

Choose an Aviation Leasing Administration Partner you can **TRUST**

About us

Cafico International is an independent trust and corporate services provider with specialist industry knowledge of aircraft leasing and aircraft platform administration.

Originating in Ireland, the company has gained a solid reputation as a secure and reliable partner for those wishing to structure their aircraft finance and leasing operations through Ireland.

We work with trusted, experienced local partners to deliver personalised solutions to each of our clients, ensuring world class standards of business service delivery are consistently maintained throughout all stages of the client engagement.

Our satisfied clients have relied upon us and our superior levels of responsiveness for the purposes of establishing or restructuring their operations. We guide and assist our clients in attending to a range of legal, financial, regulatory and fiscal responsibilities involved in the administration of their entities.

We also provide a varied portfolio of professional business services, process outsourcing and corporate administration services.

Cafico International proudly serves our customers with consideration to your unique challenges. We aim to leave you with not only positive outcomes but also with a positive client experience.
