COMPANY PROFILE

Engine Lease Finance (ELF) is the world's largest independent spare engine leasing company, specialising in the provision of flexible, short to long-term spare engine support packages for the airline industry.

Headquartered in Shannon, Ireland, ELF is owned by Mitsubishi UFJ Lease & Finance (MUL) based in Tokyo. This ownership structure provides ELF with the underlying financial strength and stability required to satisfy the many needs of airlines in today's rapidly changing world market.

ELF's portfolio includes engine types from CFM, IAE, GE Aviation, Pratt & Whitney and Rolls-Royce and after over thirty successive years of profit and growth the company now owns and/or manages approximately 300 engines worth around \$2.7bn.

A majority shareholding in INAV LLC, the Chicago-based parts company known as Inventory Navigators, provides ELF with even greater flexibility for end of life solutions and in managing the engine portfolio from acquisition through to disassembly and part-out.

With a current customer base of more than 80 airlines and MRO organizations worldwide ELF have served more than 200 customers since inception and offers a comprehensive range of individually tailored leasing-based products and services including:

- Spare Engine Purchase & Lease Back
- Medium & Long Term Operating Leases
- Short Term Engine Shop Visit Cover
- AOG Spare Engine Support
- Engine Acquisitions & Dispositions
- Engine & Portfolio Management Services

In addition to its Shannon headquarters, ELF has offices in Boston, London & Hong Kong and Sales & Marketing representatives based in Beijing, Singapore, Dublin, Madrid & Sao Paulo.
