

**BREXIT.  
TRADE WARS.  
GEOPOLITICAL UNCERTAINTY.**

**ARE YOU PREPARED FOR CHANGES IN THE FX MARKET?**

*In an increasingly fast-paced world, there are constant changes in the market that can impact a business's bottom line. Protecting against fluctuating FX rates can make the difference in positive and negative cash flow. TransferMate can help.*

**LIVE FX RATES**

Book rates instantly on our online platform with transparent rates

**VARIABLE FLEXIBLE SPOT CONTRACTS**

Lock in a rate for a fixed period of time for future transfers

**SAVE ON WIRE FEES**

Our unique global network means you save on bank fees

**THE TRANSFERMATE ADVANTAGE**

**GLOBAL REGULATION**

We own one of the broadest networks of regulated payment licences in the world, including 51 U.S. states/territories.

**LOCAL BANK ACCOUNTS**

We manage our own local bank accounts (local ACH) around the world.

**MASS PAYMENTS TECHNOLOGY**

We eliminate client administration by making thousands of payments in one step and integrating with leading ERP accounting systems.

**SAVINGS THAT MAKE A DIFFERENCE**

**MAKING PAYMENTS**

Bank fees per year

**SAVE \$144,000**

Based on an average fee of \$60 per transaction X 200 payments / month

Admin costs per year

**SAVE \$6,915**

Based on an average salary of \$44,950, 7 minutes administration time per payment = 40 admin days

Company with 200 international payments per month.

**RECEIVING PAYMENTS**

Bank fees per year

**SAVE \$108,000**

Based on an average fee of \$45 per transaction X 200 payments / month

Admin costs per year

**SAVE \$8,816**

Based on an average salary of \$44,950, 9 minutes administration time per received payment = 51 admin days
