WHATS ON THE AGENDA

- What have the top traders and producers across the globe been up to over the past year, and what key industry themes are most prominently shaping their financing, trade flows and operations?
- How is bank appetite holding up, and how is the rising interest rate cycle impacting bank portfolio composition?
 - What do top economists have to say about the ways in which wider geopolitical and macroeconomic themes are coming into play in the commodities space?
- What are the top regional headwinds and opportunities in Africa, Asia Pacific, Europe, the Americas, and MENA?
 - How is the nature of commodities finance evolving, as export credit agencies becoming increasingly involved in deals closed by commodity traders?
 - How are regions such as Europe and the US differing in terms of sustainability-linked technologies, infrastructure, investments and ESG-tied debt?
 - In the form of a deal case study session, what are the key defining features of some of the top commodity finance deals over the past year?

WHAT TO EXPECT?

DAY 0

Purchase a golden ticket with a seat at the Industry Awards Dinner (limited capacity), and rub shoulders with the biggest dealmakers from across the commodity finance world. Expect a three-course Black Tie dinner, with the announcement of perfect 10 deals of the year winners, and some special 10-year anniversary awards.

DAY 1

Experience it all on day one: star-studded keynote panels, interactive sessions with gameshows and case studies, and end the evening with a well-deserved drinks reception.

DAY 2

Unlimited networking moments await! Participate in our industry & country roundtables and see how TXF intelligence can support your workforce. It's the last day to connect face-to-face, so there will be plenty of deal talk!

CONNECT WITH THE RIGHT PEOPLE, ALL IN ONE BUSINESS TRIP INCLUDING:

The **Trading Houses** seek market trends, partnerships, and insights for optimised deal origination.

The **Producers** showcase their products, network with buyers, and stay informed about global market dynamics for informed production decisions.

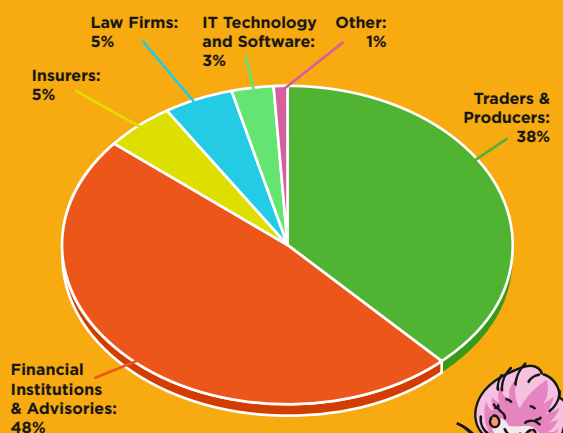

The **Lenders** identify investment opportunities, assess creditworthiness, and establish financial relationships with dealmakers in the sector.

The **Insurers** dive into the industry challenges, and tailor insurance products for effective risk management in the sector.

The **Law Firms** converse on legal regulations and industry practices on a global scale, offering specialised advice on contracts, regulations, and disputes to prospective clients.

The **Technology Providers** get to showcase innovative solutions to enhance efficiency and decision-making in the commodity and natural resources value chain.
